

Catherine and her Mom, Christine completed the two DSANV Cooking Club classes. On February 12, both Catherine and Christine helped prepare and serve the food the Volunteer Recognition Event. From an early age, Catherine enjoyed working in the kitchen. Christine recalls when Catherine was about 7 or 8 she got up early to make breakfast. The breakfast consisted of a container of greens with ice cream on a plate. Today, Catherine is able to prepare more mainstream food combinations such as: pancakes, scrambled eggs, breakfast casserole, and chicken stir fry. Catherine's favorite dish is chicken fajitas served with cheese, guacamole, salsa and sour cream.
