

Pancakes in the Oven

Preheat oven to 400 degrees

Mix two cups of Pancake Mix with 1 ½ cups of water,

Add ¼ cup of chocolate chips, whisk together

Line a baking tray with aluminium foil.

Spray foil with spray

Use $\frac{1}{4}$ cup to scoop batter from the bowl to the baking tray. Six pancakes per baking tray, Cook pancakes for 8 minutes. Use hot mits to take baking tray out of the oven. Let pancakes sit for five minutes.

Use spatula to take pancakes off the baking tray and on to a plate.

Serve with butter and maple syrup.

These “pancakes” are more like cookies but they make a yummy, easy breakfast treat that are safer and less messy to make than traditional pancakes.
