

Jessie started participating in the DSANV Cooking Club during the Summer/Fall 2020 Virtual Cooking Class. Since, August Jessie has also participated in several Cooking Challenges. Jessie started cooking three years ago when she took a Gourmet Foods Class. During this class she made cupcakes and she ate three of them!

Jessie's favorite thing to cook is chocolate chip cookies

During the Cooking Challenge, Jessie enjoyed the Super Bowl snacks the best, we made Beef Taquitos. Jessie did such a great job that her whole family enjoyed eating them lunch. In fact, Jessie often makes lunch for her family when she participates with the Cooking Club.
