

Shelby joined the DSANV Cooking Club in March, and was selected to be Chef of the Month after her first class on March 6. For the first class, we made Parchment Packs and Shelby did a wonderful job making a Breakfast Parchment Pack with Eggs, Sausage, Potatoes and Veggies, as well as a Chicken and Salmon Parchment Pack.

For the second class, we made Sheet Pan Meals, once again Shelby did a great job. Shelby made Sheet Pan Pancakes with Strawberries and Blueberries and Sheet Pan Gnocchi and Fajitas.

Shelby started cooking three years ago when she was 11 years old. Her favorite things to cook are macaroni and cheese or eggs and bacon.

Shelby helps her mom, with planning and cooking the meals for her family. Dinner is her favorite part of the day.
