

## Max Kornides – June 2022 DSANV Chef of the Month

### **How long have you enjoyed cooking?**

For a couple years. The Cookie Monster's Foodie Truck show got me excited about ingredients and recipes about three years ago, when I was 9 years old.

### **Are there certain foods you like cook?**

Eggs, ham and cheese, pasta, spaghetti and meatballs. I make toast and cereal by myself.

I know the ingredients for the recipe and the menu. Quesadillas recipe is black beans, cheese, tomatoes, green peppers, yellow peppers, and tortilla.

### **Do you help shop and plan family meals?**

I picked seeds -- lettuce, tomato, cucumber, strawberries, beans, and yellow peppers -- for the garden.

I pick the vegetable for dinner. I like broccoli, cauliflower, zucchini noodles, and Brussel sprouts.
