

It was wonderful to see so many family gather at the July Smoothie and Sandwich Clinic. We interviewed Josh and Marlee to get their opinion on the Smoothie and Sandwich Clinic:

Josh made a triple berry smoothie and a peanut butter, banana, strawberry sandwich. His favorite part was making and eating his sandwich.

Marlee also made a triple berry smoothie. Marlee made a veggie crunch sandwich for her Granddad as well as for herself. Marlee's favorite part of the Smoothie/Sandwich Clinic was making a sandwich for her Granddad and seeing her friends.
