

Simon

How long has Simon enjoyed cooking? I started baking cookies with Aunt Grace for Christmas when I was little. When COVID started, my Grandma started “Cooking with Grandma” with me and my brothers and sister. We follow the same recipe over FaceTime.

Does Simon have a favorite food to make? My favorite food to make is pizza with my Dad.

Does Simon help plan or cook family meals? Not really, but I like to help when I do not have to use the stove. It’s too hot.
