

Sofia and her mom Jeanette, Eric and his mom Gina, Catherine and her mom Christine, Brylena, Aryaa and Mia helped to prepare food at the appreciation event. The menu included veggie cups with bell peppers and hummus. Brylena made fabulous ice cream floats with Sprite and lemon sorbet. For the main course we had cheese quesadillas made in the air fryer and served with a Seven Layer Dip made by Sofia and her mom Jeanette. Another entree option was Popcorn Chicken and Tater Tots served in popcorn boxes. For dessert we served cheesecake and fresh berry cups made by Aryaa. Great job everyone!
